

## About our college

The Government College Kokernag, Anantnag, began its historic journey in the year 2008, dedicated to provide higher education to the youth of the area. Initially it was located in govt. Higher Secondary school Kokernag where from it started its journey of providing education in Arts streams only. Then after shifting to its main campus at Irukmoor, Medical streams were also started in the year 2016.

Our commitment to provide quality education is reflected in the continuous enhancement of our infrastructural facilities. Today, we stand proudly among the premier educational institutions in Jammu and Kashmir. The College is recognized by University Grants Commission (UGC) and is affiliated to University of Kashmir.

## Why Join This College?

Since its establishment, the Government Degree College Kokernag Anantnag has fostered a distinctive environment that provides a customized pathway for learning and employability for the youth in some of the most impoverished and underprivileged areas of district Anantnag.

The college primarily focuses on integrating skills and employability into its teaching and learning processes. The college's strong foundation lies on honesty, integrity, equity, transparency, and sustainability. Besides, the college boasts a proud tradition of hosting various sports activities including cricket, basketball, volley ball, badminton, table tennis, kho-kho etc. to showcase sports excellence and fostering a spirit of healthy competition among students.

## Establishment Section

The college establishment deals with all the administrative and financial matters of the college with utmost dedication and smoothness. The college's legacy and strong foundation lies on honesty, integrity, equity and transparency of this section. Besides, a compassionate role is being played by establishment in smooth dissemination of financial aid to destitute, orphan and physically challenged students.

The Programs offered by the college are helpful for the students to enrich with knowledge and skills needed to excel in their respective fields. In 2019, Government Degree College Kokernag achieved a historic milestone by being declared 'B' institution with CGPA 2.01 by the National Assessment and Accreditation Council (NAAC) of India.

The accolade is a testament to the institution's unwavering commitment to academic excellence, innovative teaching methodologies, and holistic student development.

## The Library

The Library is dedicated to provide essential information to both faculty as well as the student community. Our central library encompasses extensive collection that caters various fields, including medical, non-medical, arts, humanities and languages. Our total collection of books amounts to 12000 items, encompassing text- books, reference materials, journals, and e-resources. The Library fulfills the need of General English, Environmental Science, Zoology, Botany, Chemistry, Physics, Mathematics, History, Education, Sociology, Political Science, Urdu, Economics, Computer Applications, Travel Tourism, Kashmiri, Music, Arabic, Persian Literature, English Literature, Fisheries, Food technology and Islamic Studies. Our library is an abode of knowledge, entitled to support and enrich the academic pursuits of our student community

## Educational Activities

In addition to providing quality education, the college is committed to showcasing student talent by encouraging participation in various educational activities. We organize Debates, seminars, symposia, conferences, and workshops on diverse themes in collaboration with various departments. Our college acquainted with a spacious and well-decorated auditorium, which inspires students to actively participate in a series of events and functions.

## NSS

Our institution is fully aware of its social responsibilities, offering community support through a well defined NSS unit. College NSS volunteers have been actively engaged in various social services and other activities organized by the NSS units. These activities include cleanliness and plantation drives, cleaning the streams and spring in the vicinity, and distributing uniforms and stationery items to the students of the schools adopted by the institution under Unnat Bharat Program

## GYM Center

The college is blessed to have a gym center that possesses a variety of modern fitness equipment and facilities for students to use. These may include Smith machines, cardio machines, free weights, and other equipment for strength training, cardio, and other types of exercise. Having a gym Centre in the college can be an important resource for students looking to stay fit and active by balancing the academic and personal fitness goals.

## Financial Assistance

The college extends a compassionate hand by providing financial aid to economically weaker Students, orphans, and physically challenged students. Besides, the college administration ensures the well- being of its students with canteen services and healthcare facilities in terms Cafeteria and Red-cross unit respectively.

## Cultural Activities

The college prioritizes the holistic development of its students, recognizing the importance of extra-curricular involvement in nurturing their interests, leadership skills, and camaraderie. Every year, vibrant cultural programs are organized by the cultural unit of the college to facilitate and polish the talent of the students to ensure their over-all growth. The services of the auditorium with an ample capacity are utilized for a variety of cultural events in different cultural gatherings organized during the year.

## SPORTS

The College administration is very particular about the development of its students by providing a supportive environment for sports and extra-curricular activities. Exceptional talents are identified through selection trials and provided with systematic training and encouragement to excel in competitions at different levels, including intra-college, interuniversity, and national events. To ensure active participation of the students, the college organizes both indoor as well as outdoor sports events besides providing the students with sports goods and necessary sporting gear. All the participants are felicitated while winners are honored with Mementoes and trophies.
